

**Background**

Waterfront Toronto has maintained Directors' & Officers' Liability insurance with the current insurer, AIG Insurance Company of Canada (formerly Chartis Insurance Company Canada), since April 16, 2002. By purchasing Directors' & Officers' insurance with the same insurer, the individual insured(s) and organization gained the benefit of having no gap in coverage, therefore resulting in continuous coverage of this policy from the inception date.

**Insurance Strategy**

For 2017/18, our Insurance Broker, HUB International HKMB Limited, went out to three insurers to market this policy. AIG and CHUBB came back with quotes while Travellers declined. The AIG quote was \$1,810.00 less than the previous year, while the CHUBB quote was \$170 less than AIG. In our briefing meeting on March 23rd, 2017, HUB informed us that although CHUBB's quote came in lower, AIG's policy was a better product and Waterfront Toronto benefits from maintaining continuous coverage.

**Coverage**

This policy provides coverage in the event the individual insured(s) are sued in conjunction with the performance of their duties as they relate to Waterfront Toronto. For example, this policy covers all defense costs from an environmental claim if the organization becomes insolvent.

Potential Loss Exposure	Examples	Policy Limit of Liability
Breach of fiduciary responsibility	<ul style="list-style-type: none"> <li>• Misallocation of funds</li> <li>• Misstatement of financial information</li> <li>• Conflict of interest</li> </ul>	\$15,000,000 (aggregate)
Employment practices liability	<ul style="list-style-type: none"> <li>• Wrongful dismissal of employment</li> <li>• Harassment of any kind</li> <li>• Employment related libel, slander, defamation or invasion of privacy</li> </ul>	\$15,000,000 (aggregate)
Crisis Management Fund for D&O		\$10,000

This policy will pay (on behalf of each and every individual of the organization insured) loss arising from a claim first made against such individual insured(s) during the policy period from April 1, 2017 to March 31, 2018 and reported to the insurer pursuant to the terms of the policy.

Coverage will automatically apply to persons who become individual insured(s) after the inception of this policy (April 16, 2002). **Individual insured(s) is defined as a past, present or future duly elected or appointed director, officer, employee and volunteer of the organization.**

Furthermore, D&O insurance is typically written on a “claims-made” basis. This means that a claim will be covered regardless of when the cause of the claim occurred – as long as the claim is made when the policy is in force.
