

**Notice of Public Workshop  
TTC-TWRC Waterfront Transit  
Environmental Assessment**

**East Bayfront (March 28, 2007)**

The Toronto Transit Commission (TTC), under the auspices of the Toronto Waterfront Revitalization Corporation (TWRC), invites the public to attend the first workshop for the EA Phase of the TTC-TWRC Waterfront Transit Environmental Assessment – East Bayfront. The purpose of this study is to identify the proposed transit services required to support development of the East Bayfront precinct.

This study is being planned to meet the requirements of the *Ontario Environmental Assessment Act* and is being undertaken in accordance with the planning process identified in the Terms of Reference. The Terms of Reference were approved by the Ontario Minister of the Environment on January 24, 2007.

The EA Phase of the study includes two rounds of Public Workshops. The first round of Workshops will discuss the generation and evaluation of planning alternatives (corridors and technologies) and obtain input to assist in the generation of design alternatives. The second round of Public Workshops (to be scheduled later in 2007) will discuss the evaluation of design alternatives and the recommended design.

The first round of Workshops for the East Bayfront Transit EA has now been scheduled and will be held as follows:

**March 28, 2007 from 6:00 – 9:30 pm  
Doors Open 6:00 pm  
Presentation/Workshop 6:45 pm  
Novotel Hotel, Champagne Ballroom  
45 The Esplanade, Toronto, Ontario**

We encourage your participation at this workshop and look forward to your attendance. If you wish to receive information, become involved in the study, or have additional questions about the studies, please see our Web page at [www.towaterfront.ca](http://www.towaterfront.ca) and go to “Current Projects”.
