

The next phase of waterfront revitalization

In the first half of our mandate, Waterfront Toronto made significant strides to make our city's waterfront dream a reality. Remarkable new places to live, work, learn and play are delivering lasting economic and social benefits for the people of Toronto, Ontario and Canada. And, there is still much more to do.

As we move forward on the next phase of revitalization, we want to hear from you. Please join us for a public town hall on Wednesday, April 1, 2015 at the Toronto Reference Library.

Following the presentation, you will have the opportunity to ask questions and share your views with Mr. Campbell and members of the Waterfront Toronto senior management team.
