

EAST BAYFRONT PUBLIC OPEN HOUSE

Thursday, July 24, 2008

Waterfront Toronto would like to invite you to a Public Open House for all East Bayfront related projects. The East Bayfront is the area that is bound by Jarvis Street in the west; Parliament Street in the east; Lake Shore Boulevard in the north and the water's edge in the south.

East Bayfront is planned to be a showcase dynamic mixed-use community - a place of design excellence, high levels of sustainability and a foundation for intelligent communities. East Bayfront will welcome 6,000 new residences, 8,000 new jobs and 5.5 hectares of parks and public open spaces including Sherbourne Park, Sugar Beach and the water's edge promenade over the next 25 years. The result will be a dynamic and integrated series of 21st century showcase waterfront communities.

The purpose of the meeting is to provide updates on the projects Waterfront Toronto and its partners are working on in the East Bayfront community including: development sites, parks, public realm and infrastructure. The first portion of the meeting will feature a presentation on Sugar Beach and will be followed by an overview of the various projects underway in East Bayfront. Members of the project team will be on hand to guide you through the exhibits, answer questions and share ideas. The meeting details are as follows:
