

REMINDER: Public Notice

Community Consultation on Port Lands Flood Protection

July 18, 2018

An artist rendering showing a perspective of the new Don Greenway.

Join us on July 18 from 6:00 p.m. to 9:00 p.m. to learn more about Port Lands Flood Protection. We're one year into this seven-year project that will re-naturalize the mouth of the Don River and create a new river valley through the Port Lands. When this project is complete, Toronto will have a new island, new parks and green spaces and new roads and bridges – the foundation for future communities just minutes from downtown.

If you attended our February meeting, we encourage you to join us again to see how the designs have progressed and continue to contribute your feedback.

Public Meeting Details

Date: Wednesday, July 18, 2018

Time: 6:00 p.m. to 9:00 p.m.

Location: St. James Cathedral Centre – 65 Church Street, Toronto, ON, M5C 2E9 (see map)

Transit: Take the Yonge subway to the King St. station, walk two blocks east to King and Church. Walk north on Church half a block. Take the east-bound King streetcar, get off at corner of King and Church. Walk north on Church half a block. Use the [TTC Trip Planner](#) to determine the best route for you.

Learn more: Visit the [Facebook event](#) for updates.

Drop-in hours from 6:00 p.m. to 9:00 p.m. will give you a chance to learn about the project and share your ideas with our project team. Join us for a series of activities that will help us learn about your aspirations for the new river and natural green spaces, roads and public realm and bridges we're building.

Join project team members from Waterfront Toronto, Michael Van Valkenburgh Associates, DTAH, WSP and Entuitive for presentations at 7:00 p.m.

The giant model of the future Port Lands we had at our February 2018 public meeting will be on display again – this time bigger and more detailed.
