

SPECIAL QUEENS QUAY CONSTRUCTION NOTICE

Lower Simcoe/Queens Quay Partial Intersection Closure

The Lower Simcoe and Queens Quay intersection will be closed to northbound and southbound traffic from May 7 to May 22 to permit the rebuild of TTC streetcar corridor across the intersection. Westbound traffic on Queens Quay will be maintained through the intersection on the southside of the street.

What to Expect

Vehicular Traffic

Lower Simcoe will remain open between Lake Shore and Queens Quay with full access to all driveways however southbound access to Queens Quay from Lower Simcoe will be closed. Vehicles traveling southbound to Queens Quay may use Yonge Street, Bay Street, York Street, Rees Street, Lower Spadina Avenue or Dan Leckie Way.

Vehicles traveling northbound from the Queens Quay/Lower Simcoe area (including those exiting the Harbourfront Centre Parking Garage) will be diverted to Rees Street or Dan Leckie Way.

Pedestrians

Pedestrian access will be maintained for north/south crossings through the intersection on the west side of Lower Simcoe (in front of 228 Queens Quay). There will be no impact to east/west pedestrian access across Lower Simcoe Street.

Cyclists

The detour bike route – an asphalt trail located in the boulevard area on the south side of Lake Shore between Lower Spadina Ave. and York St. – enables cyclists to bypass most of the construction area. Cyclists may use this route for either eastbound or westbound travel.

Questions

More information about this construction will be included in the weekly Waterfront Toronto Queens Quay construction update. You may subscribe online at www.waterfrontoronto.ca/ggconstruction. Email info@waterfrontoronto.ca with questions or call the Queens Quay hotline 416-214-9990.
