Public Meeting for Sherbourne Park - October 22, 2007

Waterfront Toronto would like to invite you to the second public meeting for Sherbourne Park. This 1.5 hectare (3.7 acre) public waterfront park and gathering place will be one of the most important public spaces to be built in the East Bayfront Precinct, and will be a key catalyst to redevelopment in this area.

As a member of the public your input is very important to us. Please join us for a presentation on the overall vision and concept design for Sherbourne Park. Details of the meeting are as follows:

Monday, October 22, 2007

7:00 – 9:00 pm

The Novotel Hotel (Champagne Ballroom)

45 The Esplanade, Toronto

We hope you can make it and look forward to seeing you on the 22nd!
