FOCUS QUESTIONS

1. Are you generally comfortable with the approach taken to refine the EA alternatives? Why or why not?

2. Are you generally comfortable with the preliminary preferred alternative for the EA and how it was chosen? Why or why not?

3. What do you see as the two or three key issues and/or opportunities that need to be addressed in the next steps of the EA?

4. Do you have any other advice for the TRCA or Waterfront Toronto?
