

Innovative Design Competition

Jack Layton Ferry Terminal + Harbour Square Park

Join us as we move to the next stage in the design competition for the Jack Layton Ferry Terminal and Harbour Square Park. The five shortlisted design teams will come together on Monday, March 16 at Toronto City Hall in the Rotunda to present their bold and innovative ideas to the public.

The five design proposals will be on display in the Rotunda at Toronto City Hall from March 16 to March 20, 2015. Members of the public are welcome to view the exhibition and provide feedback beginning at 12:00 p.m. on March 16. The exhibition will be open from 7:30 a.m. to 9:30 p.m. from March 17 to March 19, but will close at 5:00 p.m. on March 20.

Public feedback will also be collected through an online tool during this period. You can access the online feedback form as of March 16 – so stay tuned to our [Facebook](#) and [Twitter](#) pages for the direct link. We'll also send a reminder to your email inbox.

Public feedback will be summarized into a report and given to the jury – a group of distinguished art design professionals – to assist them in their evaluations of the five submissions.
