

**Revisions to Class Environmental Assessment Master Plan
Notice of Filing Addendum
Waterfront Toronto / City of Toronto
East Bayfront Class Environmental Assessment Master Plan
Stormwater Management System Revision**

Waterfront Toronto and the City of Toronto completed in 2006 an infrastructure Master Plan to support re-development of the East Bayfront area. This Master Plan was prepared to meet the requirements of the Ontario Class Environmental Assessment (EA) process and recommended a preferred stormwater collection and management system.

Efforts to implement the stormwater management recommendations of the 2006 Class EA Master Plan revealed several challenges and as a result, alternative strategies were developed, assessed and evaluated. As a result of this process, an alternate strategy for the management of stormwater for the East Bayfront lands is now proposed. This new proposed strategy includes the construction of a stormwater containment cell within the Toronto Harbour along the water's edge and within the Parliament Street Slip.

An Addendum has now been completed to the 2006 Class EA Master Plan Report. The Addendum Document contains a description of the process that led to the selection of the new proposed stormwater management system and a description of the system.

By this Notice, the Addendum Document is being placed on the public record for review in accordance with the requirements of the Municipal Class EA. Please note that only the changes proposed in the Addendum Document are open for review.

The Addendum Document is available for review at the following locations and on Waterfront Toronto's website: www.waterfronttoronto.ca.

Waterfront Toronto
20 Bay Street, Suite 1310
Toronto, Ontario, M5J 2N8
Hours of Operation:
8:30 a.m. – 5 p.m. (Mon-Fri)
Telephone: 416-214-1344

**Toronto Public Library
City Hall Branch**
Nathan Phillips Square
100 Queen Street West
Toronto, Ontario, M5H 2N3
Hours of Operation:
Please call 416-393-7650

Please provide written comments within 30 days of the date of this notice to Waterfront Toronto at the following address:

Waterfront Toronto, 20 Bay Street, Suite 1310, Toronto, Ontario, M5J 2N8
Attention: Antonio Medeiros, Project Manager – Planning & Design
Email: amedeiros@waterfronttoronto.ca Fax: 416-214-4591

If concerns regarding the revisions to the East Bayfront Master Plan (the new proposed Stormwater Management System) cannot be resolved through discussion with Waterfront Toronto, a person may request that the Minister of the Environment make an order for the project to comply with Part II of the EA Act (referred to as a Part II Order), which addresses individual environmental assessments. Requests must be received by the Minister at the address below by **December 31, 2009**. A copy of the request must also be sent to Waterfront Toronto. If no request is received by **December 31, 2009**, Waterfront Toronto will be able to proceed with construction.

Minister of the Environment
135 St. Clair Avenue West, 10th Floor
Toronto, Ontario, M4V 1P5
