

September 2024

Construction Notice #51: Port Lands Flood Protection & Lake Shore Boulevard East Projects

Construction Manager: EllisDon

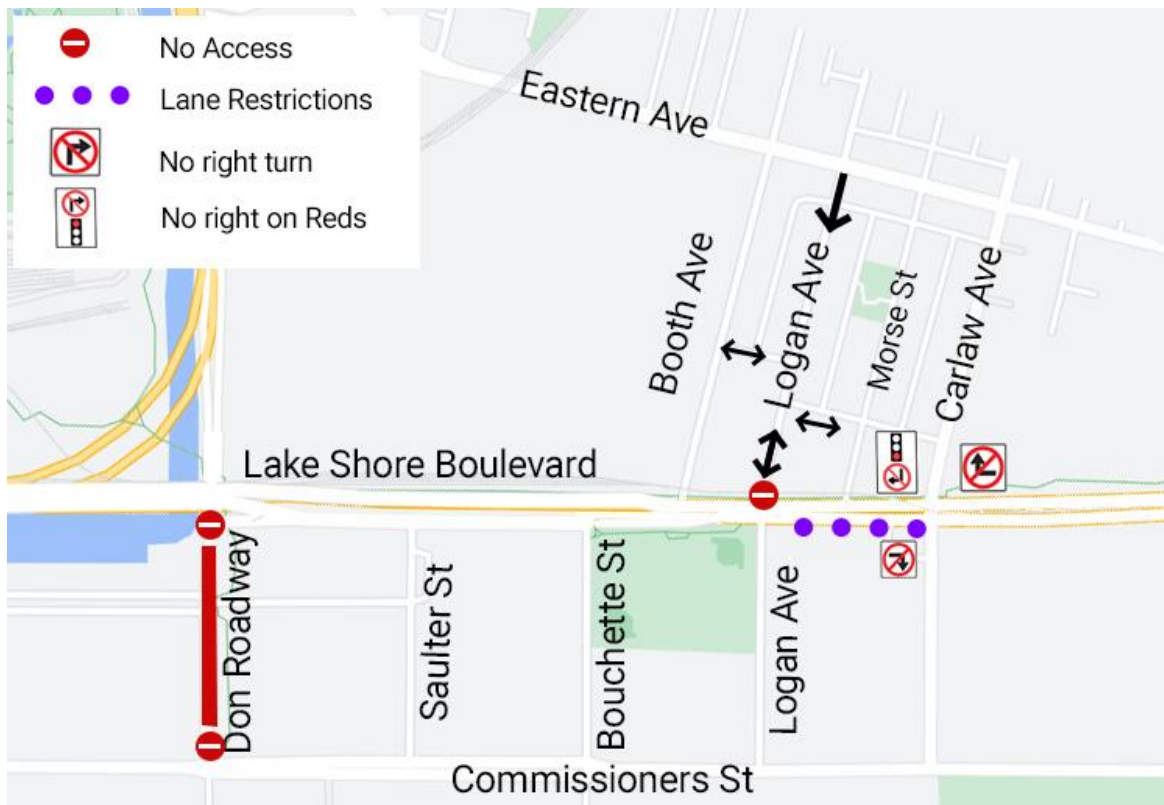

Traffic Notice

No Access to/from Logan Avenue north of Lake Shore Boulevard: September 30 to October 21, 2024

The north side of the intersection of Lake Shore Boulevard and Logan Avenue will be closed for approximately 3 weeks. During this time, Logan Avenue will remain southbound only from Eastern Avenue, and bi-directional between the Lake Shore Boulevard and the laneway connecting to Morse Street. To get off Logan Avenue, use the laneways that connect to Morse Street and Booth Avenue.

This closure is part of our work to rebuild Lake Shore Boulevard between Don Roadway Street and Carlaw Avenue. During this closure, we will be building curbs, gutters and catch basins, as well as running electrical conduits and installing lighting.

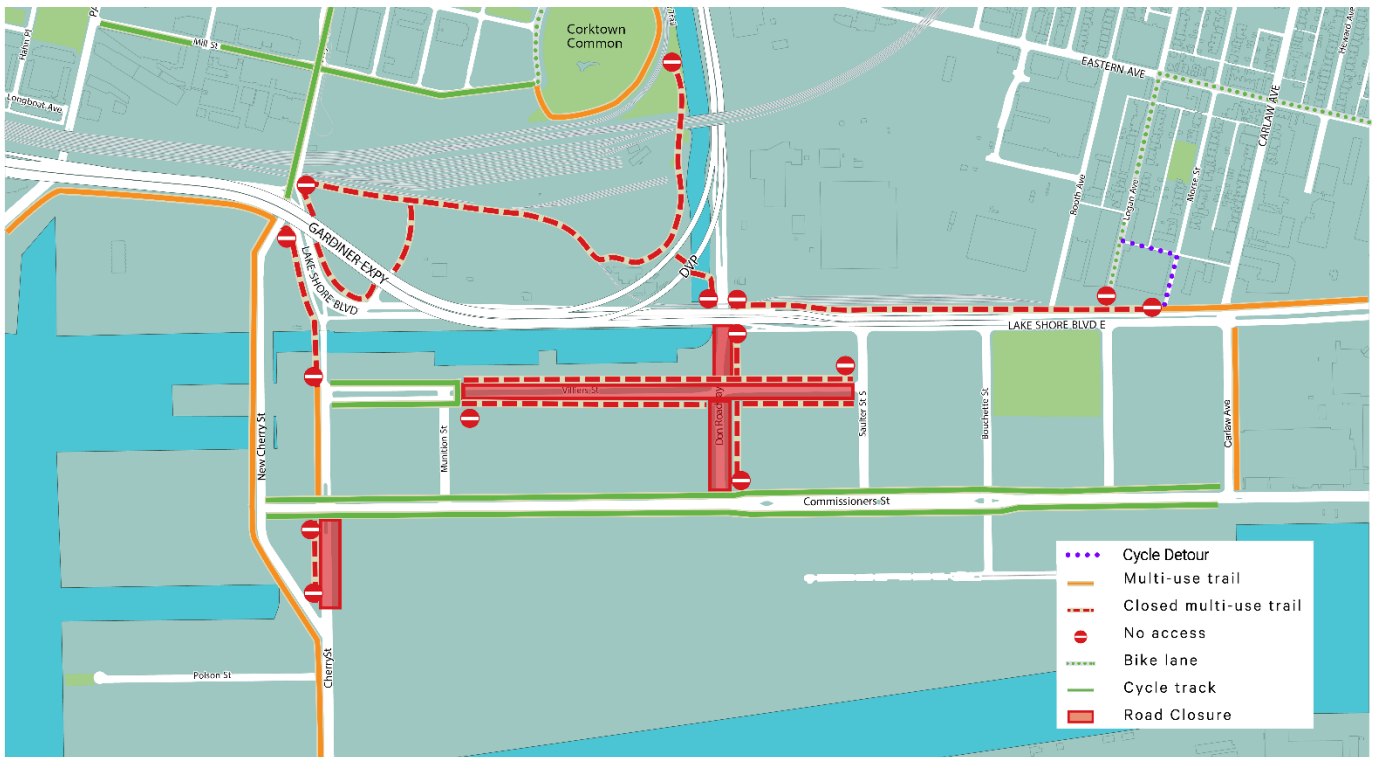

For latest updates, visit: [Construction - Waterfront Toronto \(PortLandsTO.ca/ construction/lake-shore-boulevard-east-project/\)](https://PortLandsTO.ca/construction/lake-shore-boulevard-east-project/)

Above: A map showing the closure of the north side of the Logan Avenue intersection, as well as the locations of ongoing lane reductions and other traffic flow changes at Lake Shore Boulevard East and Carlaw Avenue.

What to expect starting 5 a.m., Monday, September 30:

- On Lake Shore Boulevard:
 - No turns onto Logan Avenue north of Lake Shore Boulevard.
 - Logan Avenue South of Lake Shore Boulevard is unaffected.
- On Logan Avenue:
 - Access to Logan Avenue will continue to be available via Eastern Avenue.
 - Egress from Logan Avenue will be via the laneways that connect to Morse St. and Booth Ave.
- Pedestrians and Cyclists:
 - The multi-use trail along Lake Shore Boulevard will be closed at Morse Street. Access to Logan Avenue will be via Morse Street and the laneway.

Above: a map showing the location of the cycle detour from Lake Shore Boulevard to Logan Avenue.

- All lane closures will be marked with traffic barrels or fencing.

Questions?
